THE NISSAN SENTRA  
**BUSINESS  
CLASS**

ALL-ROUND

# THE MOST **INNOVATIVE** SENTRA EVER

The Nissan SENTRA, with an unprecedented combination of next-generation technology and bold, sophisticated style. From its cutting-edge responsiveness and standout fuel economy to its striking, modern exterior and internal spaciousness, the Nissan SENTRA defies convention; offering technology features and passenger comfort in one premium package.

# BEAUTY

## THAT'S MORE THAN JUST SKIN DEEP

At first glance, the Nissan SENTRA grabs you with its eye-catching design. But look closer and you'll see even more. Deep character lines that sculpt the sides. Muscular "shoulders" over the fenders that provide a sleek, yet powerful look. From an aerodynamic roof to available 16" alloy wheels\*, from boomerang-shaped headlights to LED taillights, Nissan SENTRA was designed as a complete vision of what a modern sedan should be.

\*16" alloy wheel availability is country specific. Please consult your official Nissan Distributor for more information.

# THE FEELING IT WAS **DESIGNED** JUST FOR YOU

It's important to be surrounded by things you love. Soft-touch materials throughout the cabin, unexpected available luxuries like rich wood-tone\* trim and perforated leather-appointed\* seats that come together to create a very personal space. This is the Nissan SENTRA, exactly the way you want it.

\* Only available in certain models.

DESIGNED TO SURROUND  
YOU WITH  
**QUALITY**

All it takes is a few moments inside the Nissan SENTRA to appreciate its sophisticated interior styling. The Nissan SENTRA is a truly premium driving experience featuring all-round exceptional touch materials and ergonomic seat design. Central to this luxury, is the spacious cabin design, which offers both driver and passengers an abundance of headroom and legroom, to create a genuinely inviting and comfortable environment.

# PERFECT BALANCE

## BETWEEN PERFORMANCE AND EFFICIENCY

Designed to seamlessly connect driver and vehicle, the Nissan SENTRA has been engineered to produce a superior driving experience. The 1.6-litre petrol engine is available in manual transmission or CVT, delivering 85kW (113.9 hp) of power and 154Nm (15.7 kg-m) of torque. Also available is the 1.8-litre\* petrol engine in manual transmission or CVT, delivering 96kW (128.7 hp) of power and 174Nm (17.7 kg-m) of torque.

\* Engine availability is country specific. Please consult your official Nissan Distributor for more information.

# SAFETY

The Nissan SENTRA's safety technologies are designed to assist in the prevention of collisions and to protect you and your passengers should an accident occur.

## HELPS THE DRIVER TO MAINTAIN COMFORTABLE DRIVING

Even when a risk has not appeared, Nissan technologies make it easier for the driver to maintain safe driving conditions. Some of these innovations reduce the driver's burden, while others enhance visibility and awareness of the immediate surroundings at night and when parking, for example.

## HELPS THE DRIVER TO RECOVER FROM DANGEROUS CONDITIONS TO SAFE DRIVING

When a risk appears, warnings and automatic countermeasures help the driver avoid it.

## HELPS MINIMIZE THE DAMAGE WHEN A COLLISION IS UNAVOIDABLE

In cases when a crash cannot be avoided, additional Nissan technology helps reduce injuries and damage by activating the brakes, restraining passengers, and applying other measures.

### REAR PARKING SENSORS\*

Ensures awareness of the surrounding objects when reversing and parking.

\*Only available in LHD Upper models

### REAR SEATBELTS

3-point ELR seatbelts are available for the left, right and centre seat.

### AIRBAGS\*\*

Dual front, side and curtain airbags will protect the driver and passengers in the case of a front or side impact.

\*\*Please check market specifications for available airbags

### BRAKE ASSIST (BA)

Senses emergency braking and automatically helps to apply maximum braking pressure if needed.

### LED ACCENT HALOGEN HEADLIGHTS\*\*\*

Provide distinct projection to enhance visibility at night and in poor conditions.

\*\*\*LED accent lamps available on Upper models only

### ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)

Enhances braking control to optimise braking performance with loads of various weights.

### SEATBELT PRETENSIONERS AND LOAD LIMITERS

Seatbelt pretensioners automatically tighten the front seatbelts in certain frontal collisions, while load limiters are designed to give a little to absorb the belt force load transmitted to the front occupants.

### ANTI-LOCK BRAKING SYSTEM (ABS)

In the event of an emergency situation, ABS modulates the brakes to help the driver maintain stability and steering control as well as preventing the brakes from locking.

SAFETY SHIELD

In the commitment to "Real World Safety", Nissan pursues innovation as part of its Safety Shield concept. Based on the idea that cars should help protect people, advanced, proactive safety technologies help driver and passengers to avoid danger and injury in a wide range of circumstances. Visit [www.nissanafrika.com](http://www.nissanafrika.com) to find out more.

**Nissan's commitment to the environment**  
Nissan's environmental philosophy embraces people, vehicles and nature. In the pursuit of a sustainable mobile society, the Nissan Green Program aims to reduce the environmental impact of Nissan vehicles at every stage of the vehicle life cycle, while corporate activities address environmental challenges.

**NISSAN'S commitment to quality:** to provide all customers with a consistently high level of quality, Nissan applies the standard worldwide, to ensure that all Nissan owners enjoy peace of mind for the lives of their vehicles. The approach is based on quality from the customer's perspective on three key elements: 1. The expectation of a smooth driving experience with complete peace of mind. 2. The intangible appeal of a vehicle, its power to captivate and excite, with features that capture attention and imagination. 3. The level of attentiveness and service during the sales process, and long after the sale is concluded.

Every effort has been made to ensure that the content of this brochure is correct at the time of going to print (June 2015). This brochure has been produced featuring prototype or accessorized vehicles exhibited at motor shows and, in accordance with the company's policy of continuously improving its products, Nissan reserves the right to change the specification and the vehicles described and shown in this brochure at any time. Nissan dealers will be informed of any such modifications as quickly as possible. Please check with your local Nissan dealer to receive the most up-to-date information. Due to the limitations of the printing processes used, the colours shown in this brochure may differ slightly from the actual colours of the paint and interior trim materials used.
